A CHILDREN'S STORY OF FEELINGS • WELLBEING • GROWTH • HOPE

A gentle story to help children understand their feelings and discover that hope can grow, even in difficult times.

A STORY THAT CAN OPEN CONVERSATIONS

Two children discover a magical garden where different feelings grow into flowers. Along the way, they learn that every feeling is valid and that difficult emotions do not have to define the future. The story offers a warm, child-friendly way to explore mental health, wellbeing, growth and hope.

HOW THE BOOK WILL MAKE A DIFFERENCE

Books will be sold to raise funds for EDAN Lincs, shared through organised reading sessions and used by our Children and Young People (CYP) team with children accessing our services. For a child going through a difficult time, the story can offer a gentle starting point to talk about feelings, feel understood and imagine brighter days ahead.
