SPONSORSHIP OPPORTUNITY 01

# TOGETHER

## THE EDAN LINCS COMMUNITY MAGAZINE

A community magazine bringing people together through wellbeing, real stories and local connection.

### ABOUT THE PROJECT

TOGETHER is a new annual magazine celebrating local people and the organisations making a difference. With accessible, engaging content on mental health, family life, personal wellbeing, real-life experiences and community initiatives, it is designed for a broad local audience—not only people who already know EDAN Lincs.

### WHY YOUR SUPPORT MATTERS

By sharing useful information and real stories, TOGETHER can help open up conversations, reduce stigma and remind readers that support is available. Copies will be placed in community centres, waiting rooms, local businesses and other public spaces - reaching people who may not otherwise come across EDAN Lincs.

### £500 SPONSORSHIP

Help cover the cost of printing the magazine.

**YOUR SPONSORSHIP WILL BE RECOGNISED**

**A dedicated page in the magazine and a thank-you message on the cover.**
**Recognition on our social media when advertising the book launch**

Your support helps create a lasting community resource that informs, connects and makes a difference.
