A safe, welcoming space can change everything.

When someone escapes domestic abuse, they often arrive with little more than the clothes on their back. A safe, welcoming space gives them the chance to rest, rebuild and feel in control again. It provides comfort, stability and the dignity everyone deserves at such a challenging time.

Our sponsorship opportunities make it possible to create comfortable, well-furnished rooms and provide essential items for people arriving at Refuge. With your support, we can offer more than just a place to stay – we can provide a space to feel safe, to heal and to look forward to a brighter future.

More than a place to unpack.

> *"Your support helps create more than just a room – it helps create a sense of safety, belonging and hope.*

Let's make a difference together.
