Creative Freedom exhibition

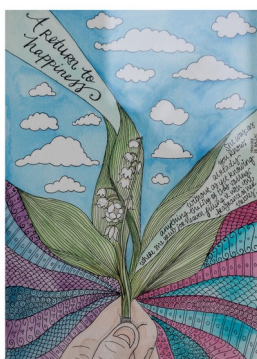

EDAN Lincs are delighted to announce their 'Creative Freedom' art exhibition in the Chapter House, Lincoln Cathedral. The exhibition is kindly sponsored by Ringrose Law and will run from 6-12 June 2022 with a ticket only reception and raffle on Tuesday 7th June 12:30-2:30pm. To book email annad@edanlincs.org.uk All money raised will go directly to support victims of domestic abuse.

The exhibition features work from three different sources all connected to EDAN Lincs.

Over 30 female artists from up and down the country spent time during lockdown to create artwork for the EDAN Lincs refuges making them more welcoming and comforting environments for those escaping domestic abuse.

The second group of artists came from our very own refuges. Commissioned by the Collection Museum and under the guidance of Artist Nadya Monfrinoli, they created posters promoting the theme of empowering women.

Finally, a group of Lincolnshire quilters created a quilt that reflected their experiences of the Covid pandemic in 2020. Their 2020 Reflections quilt has been used to raise funds over the past 12 months for EDAN Lincs.
